

2024 DUES INVOICE

We realize that, with a another (!) year of the pandemic and other concerns many have still not been meeting in person and we hope you're all back together soon. The Board therefore feels that it would not be right to bill you all for full dues if you have not been meeting, so what we approved last year extends through 2024. If your corral/posse has continued meeting, and is doing well, please send in your full dues. If however, your corral has had a difficult year, please try and send us dues at the half-rate of \$4.50 per member. And if that's a hardship, please let the Home Ranch know so we can help and advise

If we can help, we sure will! It's what WI folks do for each other!

Please return this invoice with 2023 dues by May 1, 2024

*****Also, please return your Contact Sheet info with your dues! THANK YOU!**
